

Starry Starry Night

About Morgan Autism Center

With more than 45 years of experience, Morgan Autism Center is the San Francisco Bay Area's leading provider of individualized educational services for people with autism. Chosen by more than 30 area school districts in Santa Clara, San Mateo, and Alameda counties, Morgan Autism Center promotes an educational philosophy (Morgan Autism Center Model) that mines the best techniques from multiple developmental and educational models, and applies them to the individual needs of each student. The result is a nurturing, joyful environment that focuses on constant program optimization to deliver greater opportunities for student success.

Morgan Autism Center has a School Program that serves 67 students ages 5-22, and an Adult Program that services 67 adults ages 22 and up.

Our mission is to help children and adults with autism or other developmental disabilities maximize their potential in a dignified, positive and loving environment.

Our vision is for our students and clients to remain in the community and lead a productive and happy life. We work to increase awareness about autism and to promote sharing of the latest research and information.

About Starry Starry Night

Starry Starry Night is Morgan Autism Center's largest fundraiser and this year we celebrate its 10th year. Over 350 attendees join together in celebration of Morgan Autism Center and its amazing students and clients. The focus of the evening is the beautiful artwork created by these individuals. Attendees also enjoy a delicious dinner, fine wines, entertainment, Silent and Live Auctions, and a Raffle.

This year's Gala will take place on May 6th, 2017, at the Crowne Plaza Hotel in Palo Alto. Proceeds raised will be used to support the many programs of Morgan Autism Center - including its trademark one-on-one instruction, music, art, speech therapy and adaptive PE.

We invite you to consider supporting this year's Starry Starry Night in one of the following ways:

- **Sponsorship:** Purchase an individual or corporate sponsorship. A list of sponsorship benefits is enclosed.
- **Wine Sponsorship:** Become a Wine Sponsor with a donation of table wine or reception wine for the evening.
- **Program Advertisement:** Place an ad in our Gala Program Book. Show a loved one what they mean to you, promote your business, or send a special thank you.
- **In-Kind Donation:** Make an in-kind donation to support our Silent Auction, Live Auction, or Raffle.

Morgan Autism Center is a 501(c)(3) organization. TAX ID# 94-1722448

All sponsorships and donations - less a nominal fee for the material value of the SSN event - are tax deductible
